Workmen/Party I represented by Shri Subhas Naik George, Secretary of The Goa Trade and Commercial Workers Union.

Panaji, Dated: 21-8-1985

**AWARD**

The Government of Goa, Daman and Diu, by its Order No. 28/40/84-ILD dated 15th January, 1985, has referred for the adjudication by this Tribunal of an industrial dispute between the above parties. The schedule annexed to the order of reference reads as follows:

"Whether the action of the employer, M/s. Cordeal Ice and Cold Storage, Marcela, Ponda Goa, in closing down the establishment and consequently terminating the services of all its workmen w.e.f. 28-6-1984, is legal and justified.

If not, to what relief the workmen are entitled to?"

2. In the statement of claim filed by the Union, it is submitted that the employer company was opened in 1980 at Marcel Goa; it was specially designed for cold storage facilities and preparation of ice; it was processing shrimps which were exported to Japan after canning; the company was doing very well and over the years it emerged as a premier fish processing factory in Goa, having an annual turnover of over one crore rupees. It employed 28 permanent workmen; in 1982 all the workmen formed a Union and in 1983 a Charter of Demands was submitted by the Union to the Company; a settlement was arrived at which was signed in the same year; as the workmen did not have any grievances with the company after the settlement was signed, they extended full co-operation to the employer. Never-the-less, the employers by their letter dated 28-6-1984 informed the workmen that they had decided to close the business w.e.f. 29-6-1984 due to "Acute financial difficulties" and that the services of the workmen stand terminated w.e.f. 28-6-1984. The letter also stated that the company could not pay wages for the month of June 1984 as well as their legal dues on account of financial difficulties. The same has not been paid till today. The matter was referred for conciliation before the Assistant Labour Commissioner, South Goa, but no settlement could be arrived at and the conciliation ended in failure; hence this reference. The allegation of the Company that they were facing acute financial difficulties is false and misleading. The Company was making profits and had a good turnover since 1980. The action of the company to declare closure of business is malafide. Infact the company has not closed down. There are proposals to restart its operations. The owners want to shift the place of operation of their business. The action of the company in discontinuing their

business is an illegal lockout and not a closure at all. The workmen have not been paid of their wages for the month of June 1984, O. T. on holidays they worked in 1984, notice pay, retrenchment compensation and other legal dues at the time their services were discontinued or thereafter.

It is prayed that the action of the employer in closing down the establishment and, consequently, terminating the services of all its workmen w.e.f. 28-6-1984 be held as illegal and unjustified. The workman further prayed that they be reinstated with full back wages and continuity of services and costs be awarded.

3. The employer was duly served but no written statement was filed. He also did not remain present. Hence, the case proceeded ex-parte.

4. On the date fixed for evidence, the Union recorded the statement of 2 workmen, namely Anthony D'Souza and Michael Lorenzo. Both the statements were not subjected to cross examination since the employer was absent.

5. Anthony D'Souza has stated that he was working as Refrigerator Operator with the employer for 4 years and was drawing a salary of Rs. 460/- per month; that there were 28 employees working in the factory; that the business of the factory was packing shrimps and exporting them to foreign countries; that he stopped working from 28-6-1984 because when he had gone to work on that day, the employer Shri Barvani told him not to report for work further; the employer did not give reasons for not reporting for work and also did not make any payment. The pay for the month of May he has been paid but not the pay for the month of June. The employer did not give any notice pay or retrenchment compensation. There was also no notice pasted on the notice board informing about the closure of the factory. The company was closed on 28/6. and not on 28/5.

6. Shri Michael Lourenco has stated that he was working with the employer as refrigerator operator for the last 3 years; that there were 28 employees in the factory; that on 25-5-1984, the employer Shri Ram S. Barvani called all the employees and told them not to come for work any more; he did not give any reason but, inspite of this, they continued to go for work but since there was no work to be done, they used to stay there and return in the evening. Like this, they went for about 15 days. On the 25th, the employer told them that he would pay them upto 28/5, thereafter he would not pay any wages and they should not work. Never-the-less, they continued going to the factory for about 15 days. On 28/5, the employer did not pay any amount as per the promise given by him. Since they were not paid and there was no work to be done, they stopped attending the office. The employer did not pay any amount either as notice pay or retrenchment compensation. He also did not pay their salary dues. During all the 3 years the workmen worked in the factory there was sufficient work to be done. He does not know whether the employer has served any notice on the Government about the closure of the factory, but he can say that the workers were not given any notice nor was such notice pasted on the notice board of the factory; that the employer has not paid them their salary for the month of May and their other dues.

7. This is all the evidence on record:

The above evidence proves that the employer, alleging financial difficulties closed down the establishment and terminated the services of all the workmen without complying with the mandatory provision of Section 25F of the I.D.A., 1947, in short the Act.

8. No notice as provided by Section 25FF-A was required to be served by the employer on the Government, because, according to the Union, the employer company was employing less than 50 workers. However, while terminating the services of these workers by way of retrenchment, the employer had to comply with the provisions of Section 25F, namely conditions (a) and (b) which are conditions precedent to the validity of retrenchment. Condition (a) requires one month's notice prior to the termination of services or pay in lieu thereof; and;

Condition (b), compensation to be paid to the workmen at the rate of 15 days salary for each completed year of service.

It is well settled today that the non compliance by the employer of any of the above conditions at the time of retrenchment makes the retrenchment order invalid and inoperative.

9. The evidence led by the Union shows that none of the above conditions precedent were complied with by the employer at the time of retrenchment. Hence, I pass the following order:

#### ORDER

The termination of the services of all the workmen by the employer w.e.f. 28-6-1984 is by way of retrenchment and since the conditions precedent to the valid retrenchment have not been complied with at the time of issuing the retrenchment order, such order of termination is invalid and inoperative. I, therefore, order the reinstatement of all the workmen with continuity of service and full back wages. Costs of Rs. 200/- to be paid by the employer to the Union.
